

OUR MISSION

At MassCTE, we support & strengthen Career and Technical Education to ensure that every learner is equipped with the skills, confidence, and opportunities to succeed in today's rapidly evolving job market.

As CTE educators, we're not just teaching a subject — we're preparing the next generation for high-wage, high-skill, and high-demand careers.

MassCTE is here to help you grow, connect, and thrive in your career. By increasing public awareness and appreciation for CTE, we elevate the value of the work you do — and empower you to make a lasting impact.
